

Where are my course materials?

Course contents include downloadable course materials and class activities.

Usually they are organized either in weekly format or by topics.

Course materials come in a variety of formats. Common formats include Microsoft Office documents (Word, Excel and PowerPoint), PDF documents and compressed files (ZIP). Click on the file links to open them or right-click to download them to your computer.

Notice: Some file may be embedded into the page (such as PDF ,MP3 and videos) and they may not be able to download directly. If you have any problem about the file format, please go and ask the course **Instructors** or **Teaching Assistants!**
